This casino payout report was prepared by Certified Fair Gambling on behalf of Sample Software Corp., who is the supplier of gaming software to the casino:

Casino: Sample Online Casino
Currency: Martian Zorks
URL: www.samplecasino.com

The following table shows the payout percentage for each type of game, as well as the payout percentage for all games, for the month of December 2011:

Blackjack:	97.321%
Table Games:	98.685%
Slots:	96.206%
Video Poker:	97.847%
Other:	97.109%
All Games:	97.980%

Audits were conducted on a subset of games using a variety of statistical tests for fairness. All audited games performed within statistically normal ranges for the stated period.

This report was produced by examining the complete data log files for the stated period generated by Sample Online Casino and supplied to Certified Fair Gambling by Sample Software Corp. for the explicit purpose of preparing an independent audit of the casino's payout performance and game fairness. The payout percentages are based solely on game play records and do not include any promotional returns such as bonuses or rebates.

In our opinion, these log files fairly and accurately represent the actual and total play for the stated period. We conclude that the payout percentages are correctly calculated based on the actual amounts wagered and winnings paid at Sample Online Casino.
